

Job Posting – Lead Carpenter

A MIND BUILT FOR EXCELLENCE. A SPIRIT BUILT FOR SERVICE.

Stop! Before you read any farther, consider these questions; Are you:

- 1. Energetic and like variety when it comes to doing multiple tasks?**
- 2. A problem solver who likes being in control of your own destiny?**
- 3. Known for having a sense of urgency?**
- 4. An optimistic person with a naturally persuasive style?**
- 5. Obsessed with things being done correctly?**

At Paul Davis, we help homeowners put their lives together after a traumatic event. If you like helping others and would enjoy the reward of knowing that you helped someone rebuild their home, come talk to us! Paul Davis is currently looking for a Lead Carpenter/ Handyman in the CNY area. We are looking for individuals who are results driven and have some sales experience. If you are self-motivated and like to be rewarded on your ability to produce, this job is for you.

At Paul Davis, we live by four core values:

DELIVER WHAT YOU PROMISE

RESPECT THE INDIVIDUAL

HAVE PRIDE IN WHAT YOU DO

PRACTICE CONTINUOUS IMPROVEMENT

Carpenters work with property owners and insurance professionals after events such as a fire or flood to clean up and repair damage to residential and commercial property. As a carpenter, you will be on scene after property disasters to provide reconstruction services to our customers property. You will build relationships with insurance professionals and communicate with property owners the expectations to build the structure back to its original form. Two attractions about this position, is that you could be working 5-10 different jobs per week and pretty much work independently. Compensation is DOE. No limit to earning potential.

This position requires the ability to manage your time efficiently, strong people skills, attention to detail, computer skills and a strong work ethic. The individual must work as part of a team to ensure good customer service while meeting a budget. **A minimum of five years documented construction experience is required.** Must be knowledgeable in cabinetry, drywall, trim, structure, siding, windows and doors, and basic mechanicals. This is not an apprentice position, you must have knowledge and experience within the trade.

The ideal Carpenter:

- Is self-motivated and highly organized
- Likes working with people and can deliver truth
- Sets and manages expectations
- Has excellent communication skills

- Carries themselves in a professional manner
- Works well in a fast-paced, dynamic environment and meets deadlines

Major Responsibilities:

- Assist Project Manager(s) with rough and finish repairs, drywall, punch list items
- Material purchases
- Basic maintenance repairs
- Meet job deadlines
- Deliver exceptional customer service

Necessary Qualifications:

- Carpentry and maintenance skills
- Hard work ethic
- Work well independently
- Valid Driver's License
- OSHA 10 Certification, a plus

If you demand more from yourself than others demand from you, this is the place for you.

If you experience and job qualifications meet the needs of our carpenter opportunity and you want to be part of an amazing team, send your cover letter and resume to:
