**Thank you to the many sponsors and volunteers who helped
Liverpool is the Place...note even in the rain**

ARM Team: Meets once a month at 8 am First Thursday of the Month. This team deals with membership, Ambassadors, retention, recognition, awards, greeting members at networking events and orientating new members. Anita Leitgeb from the Salvation Army is our TEAM Leader.

If you would like to be put on our Ambassador roster for grand openings, anniversary events and more, call the chamber. If you know of a business that would benefit from an Ambassadors presentation, please share it with the ARM Team! Involvement with our new Ambassadors team is a great way to network with fellow Chamber members as well as gain valuable exposure with area businesses. Help us spread the good word about all the positive things happening in our Liverpool Area Business community!

. **The Marketing Team** serves as a THINK TANK to assist the Executive Director, the board of Directors, and the other teams in promoting events and activities sponsored by the Chamber. The Marketing team provides enhanced opportunities for communication and — connection, business to business and business to community.

- The strategy includes promoting awareness via internet, print, broadcast and social media.
- Marketing will help with exposure to obtain market expansion and to build customer loyalty.
- Provide material for the Newsletter and Facebook.

Robert Just, .from Main Street Wealth Management

The Golf Committee starts to meet in January and recruits sponsors, golfers, raffle items and volunteer .

It is a great way to meet other businesses in the chamber and get them involved and exchange business information.

It is a win-win proposition.

VOLUNTEER

Volunteer: From time to time we need volunteers to make phone calls, stuff envelopes, deliver materials, proof read, etc. If you would like to be on our volunteer list, give us a call.

HumaneCNY

SHELTER with LOVE

Founded in 1966, HumaneCNY is Central New York's largest no-kill, not-for-profit animal shelter, located in Liverpool, New York. HumaneCNY

does not receive public funding or support from any state or federal agencies or national animal welfare organizations. Through private donations only, HumaneCNY typically houses over 1,000 animals a year. In the last twelve months alone, our adopters have given loving homes to over 600 animals. For the animals that come to us for help, there are no time limits, and we provide them with the best medical care we can afford until we find them new, loving forever homes.

Our mission is to provide our community with a shelter that shows compassion and respect for life by following a no-kill philosophy and by striving to provide the cats and dogs entrusted to our care with permanent, loving homes. HumaneCNY serves Central New York's Onondaga County; we make it our priority to always help local animals and local people.

As if two years of a pandemic was not difficult enough for our shelter, now many pet owners are surrendering their pets at the highest rate we've seen. There has been a decrease in adoptions and a vast increase in abuse and neglect cases. Our shelter is overwhelmed with the amount of homeless, sick animals in need of our help. We have been forced to say no to so many of them because we simply do not have the resources. In spite of everything, we have worked tirelessly to care for the homeless animals of Central New York. Here are some ways our community can help HumaneCNY during this difficult time:

- **Donate:** Our biggest expense for the last two years has been animal medical care. Please donate

today so we can continue to care for CNY's homeless, sick animals.

- **Adopt:** October is adopt a shelter dog month! Come find your new furry family member. To

view all of our available animals, please visit our website at humane-cny.org/available-animals.

Cont. from page 9- Foster: Moving animals to foster homes frees up space in the shelter for more animals in need!

To learn more about fostering an animal, please email info@humanecny.org.

- **Shop:** While we are most grateful for monetary donations at this time, we also appreciate supplies.

To view a list of all our current needs, please view our Amazon Wish List at:

humanecny.org/online-store.

HumaneCNY

4915 W Taft Rd

Liverpool, NY 13088 / P: 315-457-8762

Every cancer has an “awareness month” where they focus heavily on awareness and education of disease. For a cancer survivor, every day is awareness day. September is National Ovarian Cancer

Awareness Month, and the first Friday in September is “National Wear Teal Day”. Teal is the awareness color for ovarian cancer.

Hope for Heather was founded in 2009 in memory of our daughter, Heather Weeks. Heather worked as an advocate for ovarian cancer at the Ovarian Cancer Research Alliance in NYC. She passed away from

cancer in 2008. We picked up her torch for awareness and began our mission. The mission: to share

ovarian cancer awareness and education, to serve the patients and families devastated by this disease Cont. page 12

The ARM Committee Team meet once a month to determine the nomination of the Business of the month. Votes are given for nomination to businesses that are; current on their dues, involved in the

chamber and cares for the community.

BUSINESS *of the month*

Nominees are asked to share on Facebook, to their email list, twitter and in any other way to get the community to vote.

**June
Winner**

Winners receive a business card ad in the Eagle Newspaper, a Facebook live and photo for the newsletter and are then will be entered into the Nomination (in January) for Business of the Year. The Business of the year will be announced at the February Luncheon.

Go to Website for the nominees for August:

July Winner

Cont. from page 10 and to raise money for ovarian cancer research.

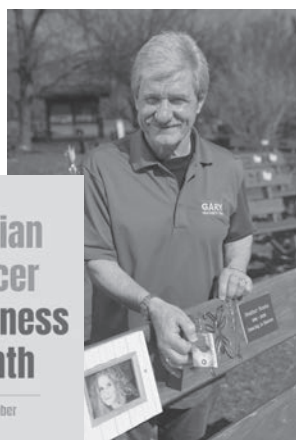

Flash forward to 2022. Our mission is still the same. We are currently driven by three major events: The Teal Ribbon Run and Walk in May, our educational booth at the Great New York State Fair and our Hope and Heels gala in November. In between these events, you will find us everywhere – at health fairs, sporting events, concerts, and many other civic events.

Our programs include our support group, Sisters in Strength; our patient fund at Upstate Cancer Center,

Woman to Woman peer mentoring and Men of Teal. Our Men of Teal recruits gentlemen in our community to share our symptom cards with women in their lives.

All women are at risk for ovarian cancer. The symptoms can be vague – bloating, abdominal pain, trouble going to the bathroom and difficulty eating. Because of this, it is often misdiagnosed which delays vital treatment and leads to late stage 3 or 4 diagnosis. To increase awareness, we hand out symptom cards and symptom diary cards to use as a tool for a woman to have that important conversation with their physician.

What can you do? Share symptom cards and diaries, participate in awareness events, donate, and volunteer. Visit our website www.hopeforheather.org to learn more. At the end of every day, our mission is to save a life. Do it for your mom, your sister, your wife, your daughter – do it for her.

Did I win One of these fabulous prizes?????

Tina Chee, MD

812 State Fair Blvd., Suite 2A
Syracuse, NY 13209

Direct Primary Care (DPC) is a new model of healthcare! By cutting out the middlemen (the insurance company and corporate administrators) doctors can focus more time and directly on the patient, improving access to care and keeping costs down.

Affordable Health Care - For a low monthly per person membership fee, you will have access to your personal doctor for primary care needs, including virtually unlimited visits. There are no copays, deductibles, or surprise hidden charges. We believe in transparency, and patients would not be billed without their knowledge. There may be additional charges for after hour visits, in office medications, and office procedures.

We offer quick appointment availability and can manage most urgent care needs such as sick visits and minor injuries. We offer extended office visits times (30-60-90 minute visits), direct access to communicating with Dr Chee (including via phone, text, email, video).

Wednesday, September 07, 2022
4:30 PM - 6:30 PM

Join us in September as we kick off our program year with the theme: **"Possibility: Making Something Beautiful out of the Horrible"**.

Our inspiring guest speaker is Angela M. Douglas, the Co-Executive Director at Vera House, a Syracuse based victim services agency covering all of Onondaga County within New York State. In addition to being a survivor of both domestic violence and cancer, Angela is also an author and independent consultant.

A sought-after speaker, Angela works from the understanding that true success, influence, and impact will not occur without the pursuit of healing and wholeness in our souls, relationships and overall life. She believes that doing the required personal work will make the greatest professional and community impact.

Through leadership lessons and her incredible story of survival, Angela will be sharing how to make something beautiful out of the horrible.

"Whenever you are creating beauty around you, you are restoring your soul."

-Alice Walker
